Wadebridge Town Council supports this application subject to the same conditions as applied to PA22/10580

Works to Trees covered by a Tree Preservation Order (TPO) - T1 - Beech - Raise to give ground clearance of appx 3-4m with no cuts bigger than 50mm indiameter. T2 - Horse Chestnut - Reduce height by appx 3m. T3 - Yew tree - Cut back to boundary line.
Wadebridge Town Council supports this application.

iii. **PA26/04894 :** 49 Marshall Avenue Wadebridge Cornwall PL27 6BB, Double storey extension to the side, single storey extension to the rear and porch to the front of the property.
Wadebridge Town Council supports this application.

iv. **PA26/05383:** Land at Bodieve Bodieve Wadebridge, Non-material amendment in relation to decision PA20/09912 (allowed on appeal APP/D0840/W/21/3285995 dated 16/08/2022) for the amendment of conditions 5 and 6 and the introduction of a new condition.
Wadebridge Town Council does NOT support this application. Councillors consider that this application is a Material Amendment - to suggest it is Non Material is disingenuous and indicative of the disregard Vistry has on the impact of its development.

The Planning Inspector placed significant weight on the road being delivered before any houses were occupied. This is also to allow construction traffic to access both sites without having to enter via the Gonvena/Bodieve Road intersection. The Inspector was very careful with his wording of Conditions 5 and 6 so as to not let the developer "off the hook" for delivery of the road and infrastructure. We should not allow Vistry to weaken Conditions or salami slice the development to the general disadvantage of the town. Ultimately Cornwall Council could be left with the bill to build or complete the B3314 road to Ball.

The Gonvena junction/Bodieve Road is already at/over capacity and it will fail with the extra burden of traffic - accepted by CC Planning already.

If houses are occupied on the Southern site before a road is delivered significant extra traffic and pedestrian risks are placed on Wadebridge School pupils and visitors to the leisure centre. It will also entail several series roadworks to construct the various new access roads/roundabouts which will have a logjam effect on the B3314 which is a busy feeder road to North Cornwall coastal towns. The Town Council would be happy to engage with the planning officer directly

b) **Decisions –**
